

## Marian Prayer

O Mary Mother of God, guide us to your Son Jesus. Give us the strength to carry on through the hard times that have arisen. Please bless our principal, vice-principals, teachers, and all the staff and students of our school. Let us always be willing to carry out God's plan for us and to always do His will. Help us to be like you Mary, that we may be always willing to say 'yes' to God. We come to you most Blessed Mother of God, please listen to our prayers, and protect us from all evils.

Amen.
